

CITY OF STAYTON

APPLICATION FOR VARIANCE TO THE LAND USE AND DEVELOPMENT CODE

APPLICATION AND DECISION MAKING PROCEDURES

Prior to filing a variance application, you may wish to discuss your proposal with the City Planner. Staff will be happy to arrange an appointment when you can discuss your ideas and decide whether or not you wish to file an application. See contact information below.

1. APPLICATION FEE

Submission of an application form, fully completed and with attachments and payment of the application fee is required before the review process begins. The application and deposit must be brought to Stayton City Hall during regular office hours. **The fee for this application is \$1,300.** If the cost to the City does not reach the amount of the fee paid, the excess fee will be refunded to the applicant after the file is closed. If during the processing of the application, the costs to the City exceed 75% of the fee paid, the applicant will be required to pay an additional 50% of the fee amount, to assure that there are adequate funds to continue to process the application.

2. REVIEW FOR COMPLETENESS AND SCHEDULING A HEARING

The City Planner will review the submitted application for completeness and, within 30 days from the date of submittal determine if the applicant has provided all required information. If the application is incomplete, the City Planner will notify the applicant of the items which need to be submitted. Once the application is deemed complete, the Planner will schedule a hearing before the Stayton Planning Commission. Planning Commission meetings are regularly scheduled for the last Monday of the month.

3. STAFF REPORT

Once a hearing date is set, the City Planner will prepare a staff report summarizing the applicant's proposal, the decision criteria, comments from other agencies or the public, and address whether the application complies with code requirements or suggest conditions to meet those requirements. A copy of the staff report will be provided to the applicant 7 days prior to the public hearing.

4. PUBLIC HEARING BEFORE THE STAYTON PLANNING COMMISSION

Prior to the public hearing, notice is required to be sent to all property owners within 300 feet of the property 20 days before the hearing, so the hearing will be scheduled at the first regular meeting following the notice period. The hearing is to give all interested parties an opportunity to comment on the application. The hearing is conducted by the Chairperson in accordance with the Stayton Public Hearing Rules of Procedure. These rules are available at City Hall.

At the conclusion of the hearing and deliberation, the Planning Commission will adopt an order stating the decision criteria, findings of fact, conclusions whether the application meets any applicable standards and the Commission's decision. The Commission may decide to deny, approve, or approve the application with conditions.

5. PUBLIC HEARING BEFORE THE STAYTON CITY COUNCIL

An application may be called up by, or appealed to the City Council. If called up, the Council will also conduct a public hearing. If appealed, the Council will decide whether to hear the appeal and hold a public hearing. A notice is required 10 days prior to the hearing which will be held at the regular Council meeting, which meets the first and third Mondays of every month. Staff reports, Planning Commission findings, and any new information will be presented to Council for consideration. The purpose of the hearing is to receive further public testimony, to review the application and consider the Planning Commission's decision and conditions. Generally, the Council will make a decision at the conclusion of the hearing process, but may delay the decision for further information or action by the applicant. The Council will then adopt an order either approving or denying the application.

6. APPEALS

Council actions may be appealed to the State Land Use Board of Appeals pursuant to ORS 197.805 through 197.855.
